## MESSAGE FROM OUR PRESIDENT

Hello Creative Families!

We are so excited to welcome all of you to our 2022/2023 school year. As we start the year, please take a minute to review the preschool's Parent Handbook, including how to install the Remind app that the teachers will be using to communicate with families throughout the year.

All of our classes will be introduced to the Jolly Phonics program this year. Jolly Phonics introduces letters and letter sounds to promote early reading and writing. Follow our newsletter and social media to learn how you can use Jolly Phonics at home too!

Should you have any questions during the year, please do not hesitate to reach out to me at [president@stalbertcreativepreschool.com](mailto:president@stalbertcreativepreschool.com)

## HOME CONNECTIONS

Do you feel like your child doesn't share much about their day at school? It is pretty common among little ones. To find out more about your child's day, try asking questions that require more than a "yes" or "no" answer. Try asking "What did you write at the writing table today?" or "What did the special helper bring for show and tell?"

## TEACHER'S CORNER

We are so excited to welcome our new and returning students and their families for the 2022/2023 school year! All three of our programs will be celebrating the children as Mighty Learners. The children will have extensive opportunities to immerse themselves in hands on learn through play experiences through process art, early numeracy and literacy exposure and science and nature exploration during outdoor play.

We are honoured to be a part of your little one's early learning experience. Should you ever want to check in regarding how your child is doing, we are available! Please feel free to message us on Remind or email us. We can also set up a time to chat if you prefer to speak in person or over the phone.

Thank you for choosing St. Albert Creative Preschool! Here's to a wonderful year!

Sincerely,  
Ms. Cindy & Ms. Carmen

## Jolly Phonics

Our Jolly Phonics letters for October are: S A T I P N

To continue learning at home, start a word list! Look for items that begin with these sounds and add them to the list!
